

My Christmas Shopping List

The first Christmas gifts were given by the three wise men to Baby Jesus. They gave him gold, frankincense, and myrrh. The gold was very valuable and cost a lot of money. The frankincense was used when people came to meet with God in the temple. The wise men used it because they met baby Jesus who was God coming down to earth to live with us. The myrrh would be used as oil for Jesus' body to get him ready to die on the cross when he was older.

In our family, we give each other three gifts—just like the three wise men gave to baby Jesus.

- **Gold** is something the person really wants.
- **Frankincense** is something that helps the person get closer to God, like a Bible, a Christian book, CD, or something else that is about God.
- **Myrrh** is something the person can use for their body, like clothes or perfumes.

Use this sheet to write down what you will get each family member for Christmas. Be creative! And most of all, have fun. Remember, it's the thought that counts—not the number of gifts or the size of the gifts.

This year, we will have \$_____ to spend for _____ people. That equals \$_____ per person.
